What should you charge for this project?

Fill in the boxes. Your price updates as you type.

These are example numbers. Change them to your own.

1. CURRENCY

Which currency will you charge in?

US dollar ($)

2. YOUR TIME

Hours of work

20 h

Hourly rate

$ 40

Count every hour: calls, edits and emails, not only the main work.

3. COSTS

Project expenses

$ 60

Money you must pay for this job, such as software, stock photos or travel. Enter 0 if none.

Allowance for unexpected costs

10 %

Extra room for surprises, like more edits or a delay. 10% is a common start.

Clear all

SUGGESTED PROJECT PRICE

$946.00

Your time 20 h × $40.00	$800.00
Expenses	$60.00
Allowance 10% of $860.00	$86.00

ESTIMATED PROFIT

$886.00

Your price minus your expenses.

If surprises use the whole allowance	$800.00

This is an estimate to help you quote. It does not include tax, platform fees or payment fees. Add those yourself if they apply to you.

SUGGESTED PRICE

$946.00
